Hi All,

Thank you for your quick responses. It looks like Thursday August 30<sup>th</sup> from 10 – 11 am will work the best. I will send out the webinar link and a call-in number closer to the 30<sup>th</sup>.

EPA would like to provide you with an update on our proposal, discuss the methodology we used to derive the wildlife criterion (bird egg tissue value), and answer any questions. I'll include an agenda, when I send out the webinar link and phone line.

We look forward to our meeting. If you have any questions in the meantime, please do not hesitate to contact me.  
Thank you –  
Diane
